

I \_\_\_\_\_ certify that I have had my dog spayed. I can not find the records as it was done a long time ago.

Should my dog become pregnant I fully release Blue Dog Ranch from any liability and I accept full responsibility. (As I chose to have my dog in a daycare environment.) I also accept full responsibility and can not sue either Blue Dog Ranch or any other client whose dogs were with my dogs.

I fully accept any and all liability in allowing my dog \_\_\_\_\_ to play with other dogs. I certify that she has been spayed.

I understand and fully accept all terms stated above.
